

WHAT'S IN OUTDOORS

2020 Youth Outdoor Experience Contest

The What's In Outdoors Kansas Kids "Youth Outdoor Experience Contest" in memory of Alan Mount & Mike Fiehler is now taking entries.

If you are 17 years of age or younger (living in Chase, Dickinson, Geary, Lyon, Marion, Morris, Pottawatomie, Riley, Shawnee & Wabunsee counties), please share your Outdoors story with us. This contest will run from now – August 31, 2020 and will culminate with the Grand Prizes being awarded at Bluestem Farm & Ranch Supply's 18th Annual "Wildlife Appreciation and Conservation Days" activity in September.

Sponsors for the contest are KVOE What's In Outdoors, Council Grove Marina, Fishing's Future, Kansas Crappie Club, KDWP Fish KS, Flint Hills Life Channel, and Bluestem Farm & Ranch Supply.

The goal of this contest is to keep youth involved in outdoor related activities.

Hopefully, the whole family will have shared in the experience and can help write the story! What's in Outdoors is interested in your Outdoor Stories and Adventures, whether it be fishing, hunting, hiking, biking, camping, chasing butterflies, fireflies or being chased by snakes!

PARENTS AND MENTORS CAN ASSIST WITH WRITING THE STORY but only youth are eligible to win the prizes. We will announce the winners of Zebco Fishing Combos, Fish Ks tackle compartments, assorted lures, nightcrawlers, and KVOE T-shirts every Friday on the What's in Outdoors Show KVOE AM 1400 starting early June and ending late August. There will be 2 WINNERS EACH WEEK.

IN ADDITION, a Kansas Lifetime Hunting and Fishing License will be awarded to a lucky youngster during Bluestem Farm and Ranch Supply's 17th Annual "Wildlife Appreciation and Conservation Days" activity. A crappie fishing trip with Joe Bragg, founder of the Kansas Crappie Club will also be awarded to a youth and mentor

Please send a short narrative of 200 words or less, photo, T-shirt size and contact information to What's in Outdoors with Phil Taunton outdoors@kvoe.com.
